# WE ARE BUCKTON SCOTT GERMANY

For over 20 years, we have been supplying customers worldwide with high-quality ingredients and supporting them with our experience, market knowledge, and reliable supply chains.

## STABILITY, EXPERIENCE, AND GLOBAL NETWORKING

For over 20 years, Buckton Scott has been synonymous with expertise in global ingredient sourcing. Thanks to our international presence, in-depth market knowledge, and stable corporate structures, we are a reliable partner for customers worldwide.

### MANY YEARS OF EXPERIENCE

Over two decades of expertise in providing functional ingredients.

### GLOBAL PRESENCE

Headquarters in Braunschweig, branches in Dubai and China, and a global partner network.

### STABILITY AND RELIABILITY

A solid corporate structure and established processes ensure reliable deliveries and long-term partnerships.

## ACTING RESPONSIBLY IN EVERY SUPPLY CHAIN

At Buckton Scott, we place great importance on ethical responsibility, ensure compliance with environmental standards, and are committed to transparency. Our supply chains are sustainable, so you receive raw materials that meet the highest environmental and social criteria.

### SUSTAINABLE PROCUREMENT

Proof of origin, resource-saving cultivation, and environmentally friendly processing

### RESPONSIBLE PARTNERSHIPS

Collaboration with certified suppliers in compliance with ethical and social standards

# OUR QUALITY

When sourcing functional ingredients, it is not only the selection of products that matters, but above all that each batch meets the highest quality standards. That is why Buckton Scott relies on transparent processes, certified suppliers, and continuous checks. This means you can always trust our raw materials.

## PRACTICAL QUALITY ASSURANCE AT ALL LEVELS

Quality is not only achieved through certificates, but also through proven processes and experienced expertise. We support you with technical know-how, structured processes, and customized solutions to ensure that your product development remains efficient, safe, and reliable.

### TECHNICAL ADVICE

Our experts will assist you in selecting, formulating, and applying the raw materials.

### CUSTOMIZED SOLUTIONS

With over 20 years of experience in the ingredients industry, we focus on practical and reliable solutions.

## VERIFIABLE STANDARDS FOR YOUR SAFETY

Our raw materials meet the highest quality and compliance requirements. Through clearly documented certificates and consistent supplier audits, we create trust and traceability at every stage of your procurement process

**ORGANIC CERTIFIED**

**IFS BROKER CERTIFIED**

**STRICT SUPPLIER VERIFICATION**

**CONTINUOUS MONITORING**
